

Undergraduate BA/BS Program

Corning Community College Courses

Major Listing

Students should choose one major and complete as many recommended courses below as needed to fulfill program elective requirements. Students should complete coursework listed below. St. John Fisher requires students to take a minimum of one-half of the major courses at St. John Fisher. Please contact an admissions counselor for specific major requirements.

Fulfill associate degree requirements with desired major requirements listed.

BA degree candidates need to show *language proficiency*. Students can fulfill the requirement by either having transfer credit for language at the 112 level at Fisher (102 level at cc), taking course(s) at Fisher to complete at the 112 level or by taking a language proficiency test through the department of Modern Languages at Fisher that demonstrates proficiency at the 112 level. The proficiency test does not result in academic credit, as this is not a credit requirement. Transfer coursework will result in academic credit.
